13th Sabbath Offering

East and West – The Divided City. The Brandenburg Gate. Air raids of World War II. The American Airlift, the city with the most suicides. When someone mentions Berlin, scenes and reports of these incidents and landmarks flash into our minds. Our members in Berlin are conscientious workers for Christ. Taped telephone sermons, personal visitations, brass band evangelism, and Branch Sabbath Schools are just a few of the activities they have initiated in the city of entice souls for Christ.

An evangelistic center located in Berlin is one project of the Thirteenth Sabbath Offering overflow for Seventhday Adventistsaround the world.

Half the citizens of Berlin are over sixty-five years of age. The Seventh-day Adventist Church feels a responsibility toward these elderly people. With the help of overflow, a six-story retirement home will be completed in a Berlin suburb. The Woldfreida Hospital needs funds for expansion and modernization, without these additions, the hospital will lose its importance among the people of Germany. The believers in Central Europe are looking to their fellow believers in our Sabbath Schools throughout the world to help meet these needs on June 27.
